How did you hear about 826michigan? _____

A train leaves 826 Valencia at six in the morning traveling southbound at twenty-five miles an hour. In New Jersey, a baby cries. Simultaneously, a flight leaves l'Aéroport de Luxembourg traveling at a million hundred miles an hour. At this point, we should let you know that train in question is capable of flight. **Keeping this in mind, how many hours per week do you plan to volunteer at 826michigan and what is your availability?** Workspace (also please circle all relevant responses):

Regularly (*I plan to volunteer at least 2-3 hours per week*)

Moderately (*I'll help out with stuff once or twice a month*)

Freestylely (*I'll come in when I can*)

Afternoons (*Noon-3PM*)

Late afternoons (*3PM-6PM*)

Evenings & weekends (*Weekdays 6PM-8PM, Saturdays & Sundays*)

What do you think of this? (Check any that you are interested in, provided they fit your schedule. Otherwise we will get excited and then be disappointed when you can't carry through. Go ahead and make any relevant or irrelevant comments in blank spaces.)
