

EVERYTHING

THAT  
SAYS

I believe it was Jimmy who said "Thank You cards are for wimps." So, to show how much we appreciate your work here last spring AND the awesome video, we made a thank-you catalog instead. (Not totally sure all the kids "got" it but oh well, hopefully you do.) Enjoy!

"THANK YOU"

And More

((It's going to blow you out of the water.))

MR. CURRAN'S Class - UPA Detroit, MI

## A Note from the Design Team Leader

So here was the idea—ditch the traditional thank you note in favor of a more “826-ized” token of our appreciation. The result: a catalog of items that say scream “THANK YOU.” Because, really, that’s all we’ve got. We’re broke.

This still is not enough to truly thank you all at 826Michigan for all you’ve done, but it’ll have to do. (And sorry it took so long to do it, by the way).

It’s no secret I worship the ground the 826Michigan team walks on, what with your tape binding machine, cool robot swag, and Dave Eggers encounters. So please keep doing what you do. Please come back to UPA. And, remember...in the words of the immortal Jimmy Jimereeno: “If it don’t make dollars, it don’t make sense.” (Or was that DJ Quik? Either way.)
